

ServinXpo
International Congress and Exposition on Trade in Services
October 4-6, 2006 in New Delhi.
(Organized by Federation of Indian Export Organizations - FIEO)

Federation of Indian Export Organizations (FIEO), New Delhi is organizing an International Congress and Exposition on Trade in Services, ServinXpo, on October 4-6, 2006 in New Delhi.

This mega event will bring stakeholders representing multi-sectoral services sectors to a common platform. This will be a potential networking and solution exchange forum. The focused services sectors are: education; health and life sciences; science, technology & engineering; travel and tourism; consulting services in the field of legal, accounting, financial, architectural, infrastructure & investment and logistics. ServinXpo 2006 is planned as a business event and the activities would include: International Congress on Trade in Services, Exhibition, One-on-One Buyer-Seller Meet and Networking Sessions.

The event is likely to be inaugurated by the President of India. The National Advisory Committee formed for the event has representatives from leading corporate bodies and multilateral agencies like UNCTAD, UNIDO etc.
